The National Cherry Blossom Festival is one of the largest events for motorcoach activity in Washington, DC. Below is information regarding important changes to motorcoach passenger drop-off/pick-up locations in proximity to the Tidal Basin for this event. These changes are expected to be in effect from March 19th to April 9th*. These areas are dedicated for active passenger loading and unloading, not parking. A full list of motorcoach parking locations can be found at www.goDCgo.com/motorcoach. There is very limited curbside parking in the District and operators are encouraged to book off-street parking in advance.
